

The East Coast Chapter of Tuskegee Airmen, Inc.® keeps a proud African-American legacy alive through its commitment to expose young students in the Washington, D.C. area to careers in aviation. The Youth in Aviation Program (YIAP) is divided into three levels. Level One, offered each fall semester over a 5 weekend period, includes discussions with professionals and field trips to various area aviation facilities. Upon successful completion of Level One, for those who qualify, Levels Two and Three are designed to assist the aviation committed students with flight lessons or paid intern hours toward an A&P mechanic license. ECCTAI is dedicated to providing positive education opportunities for motivated youth. We think a career in aviation is an excellent choice for many adventurous young people. Let us start you on the journey!

ECCTAI is a federal tax exempt, non-profit, 501 (c)(3) organization. Any financial support you care to extend for our students is appreciated.

Your generous tax deductible contribution is important for the continued success of this community endeavor to enlighten and inspire youth to reach for the highest horizons.

Contributions are made payable to:

ECCTAI
PO Box 8234
Washington, DC 20032-8234

OR
 contributions donated through
 our website at www.ecctai.org
